

Sanctity of Human Life Sunday 2010

As we cry out to God to END ABORTION and SEND REVIVAL,
let us remember that we—the CHURCH—are the Body of Christ.
We are the...

HANDS

that reach out to
comfort hurting
women

EARS

that hear of the
pressures placed
on women in crisis
by family, friends,
and finances

FEET

that move to find
homes for babies
and children

HEART

that beats in tune
with the heart of
our God, who sees
every life as
VALUABLE

EYES

that see the pain
and suffering of
past abortions

MOUTH

that speaks to
teens and young
adults about the
dangers of poor
choices

**This day of remembrance compels us to acknowledge and embrace the truth
that every life is created and known by God himself.**

choices

**This day of remembrance compels us to acknowledge and embrace the truth
that every life is created and known by God himself.**

During these current times it is especially important to be a voice for the unborn and to encourage others to proclaim God's truth to women and their families. So what can the Body of Christ do? Can we actually make a difference in the midst of all of this? Yes! We can make a difference, one life at a time. By partnering with Life Impact Network, you can help touch the lives of countless women and men and share the message of HOPE and RESTORATION through Jesus Christ.

What Can You Do?

Volunteer

We are always in need of volunteers to be life coaches, peer counselors, to serve on the Board of Directors, or help raise funds to promote awareness through educational efforts. Whatever your gifts are, we can use you. All you need is a heart to serve. You will be provided the training you need to share the love of Christ and to help empower women, men and teens to make positive life choices.

Lead a Post-Abortion Group

Statistics show that 43% of women of childbearing age have had at least one abortion in their past. Many women carry an incredible burden while wearing a smile on their face, and often struggle with guilt, depression, and repressed memories. *Surrendering the Secret* is a powerful 8-week Bible Study, written by LifeWay author Pat Layton, that offers hope and healing to these women left in the shadows of an abortion.

Donate

Life Impact Network is a non-profit agency that relies on the financial contributions from individuals, businesses, and churches. There is also a need for material resources to support the services the women receive at our pregnancy center, A Woman's Place. Examples include diapers, wipes, and new baby clothing.

Pray

Prayer support is critical to our mission. Ask the Lord to open the eyes of the mothers and fathers to see that they are not alone and that there is hope. Pray specifically for the progress of the center, for funding, for the healing of post-abortive clients, and for the staff. Boldly pray that abortion would end and that God would touch the hearts of our nation's leaders.
